

SSTI Funding to Access Ship Time

Research Vessel – Ship Time 2007

Funding Source & Type	Project Name	Grant-Aid (agreed)	Project Duration	Lead Partner	Partner
Marine Institute Integrated Research Surveys	Standard Oceanographic Section Cruise: Irish Coastal Waters	€60,000	10 days	Marine Institute <i>Ocean Science Services</i>	National University of Ireland, Galway <i>Department of Earth & Ocean Sciences</i>
Marine Institute Integrated Research Surveys	Harmful Algal Blooms in Thin Layers	€120,000	8 days	National University of Ireland, Galway <i>Martin Ryan Institute</i>	
Marine Institute Integrated Research Surveys	Salmon Smolt Survey	€60,000	10 days	University College Cork <i>Department of Zoology, Ecology & Plant Science</i>	Central Fisheries Board
Marine Institute Integrated Research Surveys	Irish Deepwater Ecosystem Survey 2007	€135,000	9 days	Marine Institute <i>Fisheries Science Services (FSS)</i>	National University of Ireland, Galway <i>Department of Earth & Ocean Sciences</i> Marine Institute Marine Environmental Health Services National University of Ireland, Galway <i>Department of Earth & Ocean Sciences</i>
Marine Institute Integrated Research Surveys	Ground-Truthing Seismic Images of Ocean Structure in Rockall Trough, Part I: Baseline Survey of Biological Productivity and Water Motion along WESTLINE	€120,000	8 days	Trinity College Dublin <i>Seismic & Basin Analysis Group</i>	Marine Institute Ocean Science Services Trinity College Dublin Seismic & Basin Analysis Group University College Dublin School of Geological Sciences Durham University Department of Earth Sciences Trinity College Dublin

					Department of Zoology
Marine Institute Dedicated Training Programme	Trainee Deck Officers & Trainee Engineering Officers	€60,000	4 days	National Maritime College of Ireland	Marine Institute <i>Irish Maritime Development Office (IMDO)</i>
Marine Institute Dedicated Training Programme	Multidisciplinary Offshore Training for Marine Scientists (UCC-MOTS)	€15,000	1 day	University College Cork <i>Environmental Research Institute</i>	
Marine Institute Dedicated Training Programme	Marine Environment - Undergraduate and Graduate Programme	€12,000	2 days	Trinity College Dublin <i>Department of Earth & Environmental Sciences</i>	
Marine Institute Dedicated Training Programme	Multi-Disciplinary Training during the PAP Mooring Service Visit	€105,000	7 days	National University of Ireland, Galway <i>Department of Earth & Ocean Sciences</i>	
Marine Institute Dedicated Training Programme	Undergraduate Training in Fisheries and Oceanographic Sampling Techniques at Sea.	€12,000	2 days	Galway-Mayo Institute of Technology <i>Department. of Life & Physical Science</i>	
Marine Institute Dedicated Training Programme	Benthic and Demersal Assemblages on Sandbanks in the Western Irish Sea and Potential Impacts of Offshore Wind Farms	€35,000	5 days	University College Dublin <i>Marine Biodiversity Ecology and Evolution</i>	

Research Vessel – Ship Time 2008

Funding Source & Type	Project Name	Grant-aid (agreed)	Project Duration	Lead Partner	Partners
Marine Institute/HEA (Ship-Time Programme – Dedicated Training)	Advanced Techniques in Oceanography; a Joint NUIG/GMIT Training Cruise for Early Stage Postgraduate and Final Year Undergraduate Students	€16,000	2 Days	National University of Ireland, Galway <i>Earth & Ocean Sciences</i>	Galway-Mayo Institute of Technology <i>Department of Life & Physical Sciences</i>
Marine Institute/HEA (Ship-Time Programme – Dedicated Training)	Undergraduate Basic Training in Oceanographic and Fisheries Sampling at Sea	€42,000	6 Days	National University of Ireland, Galway <i>Earth & Ocean Sciences</i>	Galway-Mayo Institute of Technology <i>Department of Life & Physical Sciences</i>
Marine Institute/HEA (Ship-Time Programme – Dedicated Training)	Undergraduate Training in Basic Fisheries and Oceanographic Sampling at Sea	€14,000	2 Days	Galway-Mayo Institute of Technology <i>Department of Life & Physical Sciences</i>	
Marine Institute/HEA (Ship-Time Programme – Dedicated Training)	Advanced Techniques in Oceanography; a Joint NUIG/GMIT Training Cruise for Final Year Undergraduate Students	€64,000	8 Days	Galway-Mayo Institute of Technology <i>Department of Life & Physical Sciences</i>	National University of Ireland, Galway <i>Earth & Ocean Sciences</i>
Marine Institute/HEA (Ship-Time Programme – Dedicated Training)	NMCI Vessel Familiarisation 2008	€80,000	5 Days	National Maritime College of Ireland <i>Nautical Studies</i>	Irish Maritime Development Office
Marine Institute/HEA (Ship-Time Programme – Dedicated Training)	Student Training in Dublin Bay	€42,000	6 Days	Trinity College Dublin <i>Department of Zoology</i>	
Marine Institute/HEA (Ship-Time Programme – Dedicated Training)	Student Training in Benthic Survey and Sampling Techniques	€7,000	1 Day	Queen's University Belfast <i>Biological Sciences</i>	

Funding Source & Type	Project Name	Grant-aid (agreed)	Project Duration	Lead Partner	Partners
Marine Institute/HEA (Ship-Time Programme – Dedicated Training)	21st Century Graduate: Integrated Marine Training for the Next Generation of Marine Scientists	€112,000	7 Days	University of Ulster <i>Centre for Coastal & Marine Research</i>	
Marine Institute/HEA (Ship-Time Programme – Integrated Survey)	Detailed Bathymetric Mapping & Seabed Sampling of North Atlantic V-Shaped Ridge 'VSR-2W': Constraints on Temporal Variation in Mantle Convection	€400,000	25 Days	Trinity College Dublin <i>Department of Geology</i>	University of Southampton <i>Challenger Division for Seafloor Processes</i>
Marine Institute/HEA (Ship-Time Programme – Integrated Survey)	Integrated National Strategic Deep-Water Seabed Drilling Campaign (INS_DeepDrill)	€272,000	17 Days	University College Cork <i>Department of Geology / Environmental Research Institute</i>	CSA Group Ltd National University of Ireland, Galway <i>Department of Earth and Ocean Sciences</i> University of Bremen <i>Centre for Marine Environmental Sciences</i> University of Erlangen-Nuremberg <i>Institute of Paleontology</i> Katholieke Universiteit Leuven Royal Netherlands Institute for Sea Research <i>Marine Chemistry and Geology Group</i>
Marine Institute/HEA (Ship-Time Programme – Integrated Survey)	Standard Oceanographic Section Cruises 1. Irish Offshore Waters & 2. Irish Shelf Region	€80,000	15 Days	National University of Ireland, Galway <i>Earth & Ocean Sciences</i>	Marine Institute <i>Ocean Science Services</i>
Marine Institute/HEA (Ship-Time Programme – Integrated Survey)	SALSEA Merge	€100,000	15 Days	Marine Institute <i>Aquaculture & Catchment Management Services</i>	Central Fisheries Board <i>Salmon Biology</i>

Funding Source & Type	Project Name	Grant-aid (agreed)	Project Duration	Lead Partner	Partners
Marine Institute/HEA (Ship-Time Programme – Integrated Survey)	Reconstruction of the Extent & Dynamics of the British-Irish Ice Sheet on the Continental Margin Off North West Ireland	€128,000	8 Days	Marine Institute <i>Oceanographic Services</i>	University of Ulster <i>School of Environmental Sciences</i> Durham University <i>Department of Geography</i>
Marine Institute/HEA (Ship-Time Programme – Bright Sparks)	Rafts, Plankton and Jellyfish: Their Value as Biological Indicators of Different Water	€40,000	5 Days	Queen’s University Belfast <i>Ecology and Evolutionary Biology</i>	National University of Ireland, Galway <i>The Martin Ryan Marine Science Institute</i> University College Cork <i>Coastal and Marine Resource Centre (CMRC)</i> National University of Ireland, Galway <i>Earth and Ocean Sciences</i>
